

Forecast For London & Southeast England
Issued by Met Office Exeter
at 0400 on Monday 05 Jul 2021

++ Valid for broadcast between 0600 and 1800

Headline:

Showers Monday morning, heavy rain Monday night.

Today:

Sunny spells and the odd shower through Monday morning, but becoming largely dry by afternoon. Increasingly cloudy later in the day, with rain perhaps reaching the far south late in the afternoon. Maximum temperature 23 deg C (73 deg F).

Tonight:

Heavy rain moving northwards through the evening, with further heavy perhaps thundery showers to follow through the early hours. Winds strengthening with coastal gales likely. Minimum temperature 12 deg C (54 deg F).

Tuesday:

Windy with coastal gales through the morning. Heavy perhaps thundery showers first thing, clearing to sunshine and showers. Becoming drier later. Maximum temperature 22 deg C (72 deg F).

Outlook for Wednesday to Friday:

Heavy, thundery showers on Wednesday, with some sunny spells, but drier in Kent. Breezy but winds easing. Sunshine and scattered showers Thursday and Friday, but showers lighter than recent days.
